RE: Important Changes to Your Path2College 529 Plan Direct Deposit by Paycheck

Dear Path2College 529 Plan Account Owner:

Our records show that you are currently, or have previously made, contributions to your Path2College 529 Plan automatically from your paycheck.

Changes to Path2College 529 Plan’s account management system are coming this May, making it easier for you to manage your account features and transactions. Your Path2College account number and the Plan’s bank routing information will change as we transition to a new account management system. To ensure your payroll contributions continue uninterrupted, please make the required changes indicated below. Contributions submitted by your employer on your behalf after May 7, 2020 will no longer be processed. Instead they will be returned to your employer unless you take action.

Please complete the enclosed Path2College 529 Plan Payroll Direct Deposit Form OR update your payroll direct deposit instructions using your company benefits self-service portal (if available).

- If your employer requires a paper form to make payroll changes, complete Steps 1 and 2 of the enclosed Path2College 529 Plan Payroll Direct Deposit Form and provide it to your employer’s payroll office.

- If your employer has a self-service benefits portal, enter the required information from Step 2 of the enclosed form into your self-service benefits portal.

Please ensure these changes are effective for pay periods beginning May 11, 2020 and onward.

Your employer’s payroll office may require one complete pay period to implement these changes, so you may experience a pay period without a payroll contribution to your Path2College 529 Plan account.

Important Note: The update to your payroll direct deposit should be made effective on or after May 11, 2020.

We apologize for any inconvenience this may cause. If you have any questions about your Path2College 529 Plan account, please visit Path2College529.com or contact us at 1-877-424-4377, Monday through Friday 8:00 AM to 8:00 PM ET.

Thank you again for choosing the Path2College 529 Plan, Georgia’s official college savings plan.

Sincerely,

Path2College 529 Plan
